

# Greetings to all our fantastic volunteers

## February 2024

Hi to all our wonderful volunteers, another month down and I apologise if you are anything like me and don't like to be reminded of how fast time flies.

### Just a reminder to save the date:

For All Volunteers an afternoon tea at the Uniting Church Hall on March 22<sup>nd</sup> at 3pm.

I would love to meet up with as many as possible again, as you all are now aware I am very much a face-to-face kind of person.

We are being joined by Glenda Sharp from the Seniors Rights Service. Glenda is an Aged Care Advocate and it will be of great value to hear what she has to tell us about her organisation and how it can benefit, both of us as volunteers and our recipients.

We have some new volunteers joining our team this month and so I hope that they can make the March date and meet some more of our fabulous team of people.

I am in the process of contacting community organisations with the view to giving a short information presentation about the ACVVS, so if any of you are involved in an organisation that invites speakers to meetings, please let me know and I will be very happy to come along and spread the word about what we do.

*Sincerely, Lee*
