

April 2026 Newsletter

Greetings to all our fantastic volunteers

April has two major events this year both happening on the same weekend. Easter and Daylight savings ending, for me both are important as you will see below.

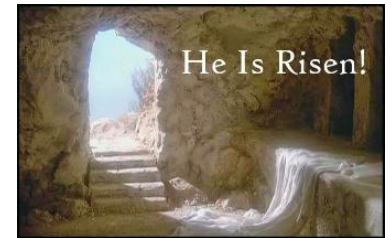

This is my Easter message to you all because I am a Christian I acknowledge the true meaning and events of Easter.

It is the norm to say Happy Easter and it should be a happy easter but before the joyful event of Jesus rising from death He first had to die.

This He did for us, because His Father wants a

relationship with His creation, one that a Holy God can accept.

We being all very unholy need to be cleaned and that is where the death of Jesus comes in. He, the pure man died in our place and all we now need to do is to believe IN HIM in order to have a relationship with God and life eternal with God. May you be blessed with the knowledge of God's salvation this Easter.

Reminder to turn your clocks back for this Sunday 5th April am or Saturday 4th pm before bed if you're like me and don't get up at midnight to change the clock.

Autumn is a lovely time of year with warm days and cooler nights. Most importantly for me is no more daylight savings, but I do acknowledge that a lot of people do enjoy it, so each to his own.

Signing off with a laugh

A traveller ran out of fuel along a country road. Luckily, a local farmer came to help with his big strong horse named Buddy. He hitched Buddy up to the car and yelled, "Pull, Nellie, pull!" Buddy didn't move. Then the farmer hollered, "Pull, Buster, pull!" Buddy didn't respond. Once more the farmer commanded, "Pull, Coco, pull!" Nothing.

Then the farmer nonchalantly said, "Pull, Buddy, pull!" And the horse easily pulled the car to the service station. The motorist was most appreciative and very curious. He asked the farmer why he called his horse by the wrong name three times. The farmer said, "Oh, Buddy is blind and if he thought he was the only one pulling, he wouldn't even try!"

I would really like to know if there is anyone who would like to view any of the webinars that have been offered and I will organise more viewings. We may also be able to hold it elsewhere, say Bega or Eden. Please let me know by reply email.

Sincerely, Lee & Ali
